Announces

### The Open Invitation to Submit Letters of Interest to Join

### *NC Bach Festival Ensemble*

The Executive Director and President of the NC Bach Festival, Inc. Dr. Roman Placzek invites professional performers to submit their letters of interest to become members of the NC Bach Festival Ensemble.

The selected performers will be performing at a wide variety of events including the annual NC Bach Festival Featured Artists concerts, to accompany the winners of the Young Artists Concerto & Aria Competition, benefit events, special church services, promotional and educational performances, etc.
